

product Description

INNOLITE BK Style COB [LED Floodlight](#) can provide a diffuse and versatile lighting effect with innovative exterior design. And with a superior optical lens with strong transmittance, this 120 degree headlight lamp will focus on areas highlighting needs with maximum efficiency. It can be better integrated with the architectural landscape, perfect fusion of the application environment.

Product seal is perfect. With IP classification IP65, Innolite LED Floodlight is suitable for outdoor lighting, gardens, squares, signs, factories, dolls, arenas, etc. It comes with adjustable metal mount to adjust the different angles and can be installed in the ceiling, walls, ground and other places.

Specification

model no.	33625
Force	100W
brightness	90 lm / w
LED type	COB
Input voltage	190-260VAC or 85-265VAC
Material of bag	Aluminum
Color Temp (CCT)	2700K - 6500K
Energy efficiency class	A +
Beam Angle	120 degrees
Color rendering index	& Gt; 80 Ra
Power factor	& Gt; 0.95
start time	& Amp; lt; 0.5s
switching Cycle	≥12,500
Lifetime	Up to 50,000 hours
Temp. of the operation	-30 ~ + 50 ° C
IP classification	IP65
Measure	285x255x75mm

product Certifications

CE RoHS

Toughened glass mask

High quality COB LED

Stainless Steel screw

Waterproof IP65

Feature & Advantages

advantages

- ² Use the most effective integrated aluminum alloy, the finished lamp can work over 50,000 hours
- ² Heat source in different sizes from 10-300W for varied lighting requirements.
- ² Protection rate: IP65 for indoor and outdoor lighting.
- ² No flicker to protect human eyes
- ² Nothing buzzing and immediately on
- ² High CRI & gt; 80 guarantees more vibrant and natural light
- ² Environmentally friendly: No lead or mercury and no UV or IR radiation
- ² Long life lasts up to 17 years (4 hours usage per day)
- ² Two-year limited warranty based on average daily use of 4 hours
- ² With certification of CE RoHS, etc.

Application

Innolite 100W Aluminum COB Black LED Floodlight BK Style With 120 Degree Radiation Angle LED Floodlight can give you a diffuse and versatile lighting effect with slim conventional fixture. It is widely used in gardens, building façades, bridges, tunnels, stadiums, signs, park sculpture, toll station, gas station, factory, warehouse, big supermarket, exhibition hall, etc.

Application

- ² Disconnect the lamp from the power supply before servicing.
- ² Clean the luminaires with a dry cloth.
- ² Do not clean the lamp with corrosive chemicals.

Warning: Cancel use if it is damaged.

Package

1 LED light per color box, 20 pcs packed in a regular export carton. (1 pc / color box, 20 pcs / carton)

return Policy

We provide a free two-year LIMITED WARRANTY based on the average daily use of 4 hours for this product. Should return be required

- Step 1) Contact us with this site's email.
- Step 2) Give as much detail as possible about the problem you have.
- Step 3) Permission to return the item will be issued.
- Step 4) Return the item for the agreed replacement or refund.

FAQ

Q1. Are you a manufacturer? A1: Yes, we are an experienced manufacturer with custom molds and production lines.

Q2. How about product quality?

A2: Our technicians and QC teams test the products one by one with the help of aging line, professional devices and instruments to ensure the quality of all products. Q3. How about the price?

A3: We are a manufacturer and always offer our customers the most competitive prices.

Q4. Do you order?

A4: Contact with online service or send us an e-mail immediately, we will reply soon to product price, specifications, packaging, etc. Thanks.

Q5. Can I buy samples from you?

A5: Yes! You are welcome to place test orders to test our superior quality and service, mixed samples are acceptable.

Q6. Can I visit your factory?

A6: Yes, welcome to visit our factory at your appropriate time.

Q7. How can I make OEM or ODM orders?

A7: We have different print jobs for different OEM / ODM orders. Please contact us with online service or email us directly.

Q8. How do I pay for my orders?

A8: You can pay with T / T, L / C at the point of view would be available to qualified bank and MOQ required for each order.

Logistics

Sample order ship by DHL, UPS, FedEx, TNT, EMS etc

For mass order delivery, can be optional with terms of Exwork, FOB, CNF, CIF by air or by sea based on the buyer's forwarder or ours
